

Chartered Management Program (CMP)

The Chartered Management Program emphasizes the blending of academic learning and real-life work experience. Make an informed decision on professional development and maximize your people investment!

Employees can complete the CMP without taking time off work. Working at their own pace, under the direction of an experienced personal instructor with real-world experience, your employees will bring immediate results to your organization.

Our 8-course CMP can lead to the Certified in Management (C.I.M.) or Chartered Manager (C.Mgr.) designations, giving your organization the competitive edge in its people investment!
